UPDATE: 9-22-2019

PRAISE: Our last newsletter listed several prayer requests. Here is how the Lord answered:

- ✓ Six teens from our junior and senior high made decisions for Christ during our Wilds of New England school camp. The testimonies are among the most powerful ever!
- ✓ The new “Early Childhood Development (ECD)” wing is coming along. We will be referring to the new infant-toddler group as “Little Lambs.” The 3-5 year old pre-school will still be referred to as “Little Flock.”
- ✓ We hope the ECD wing will be approved and open by early October. This will put us one month ahead in our budget! Thank you, Dianna Fecher!
- ✓ WCA junior varsity season is under way! So proud of the team we have. Thank our coaches: Chris Roussel and Michael Schumacher, as well as our Athletic Director, Brandi Peloquin.
- ✓ Off campus career/trades-oriented initiatives are going as planned.
- ✓ We are so thankful for the new staff this year! Alison Schumacher; Austin Smith. Cesar Trigos and Brandi Peloquin are doing a phenomenal job in administration. Our return staff is excellent as always.
- ✓ Tunbridge Fair was another great and safe success!
