

*Discovering Purpose, Realizing Potential, Living Powerfully*

**DATE: Monday, March 16, 2020**  
**SUBJECT: Coronavirus Protocols and Initiatives**  
**To: WBC/WCA Staff and Families**

The global response to Coronavirus (Covid-19) is unprecedented. The guidelines and recommendations are in a constant state of fluidity. By utilizing every resource we know, and relying on the wisdom of God, this shall pass. In the meantime, **Coronavirus Protocols and Initiatives** are in place on every level. Countries, communities and churches have mobilized. Here are some things we are working on today:

**WEBSTERVILLE CHRISTIAN ACADEMY:**

- A productive staff meeting examined and identified those most vulnerable physically, mentally and spiritually. Initiatives are started to help assure the WCA family that food is not scarce. Warehouses, supplies lines and food shelves have large quantities. The message we are communicating is that God is bigger. Panic is not our path. Preparedness from positions of power, love and sound mind will prevail. God's grace is sufficient.
- Teachers are assembling academic packets and plans for every student. These lesson plans will be available to each student. By the end of school tomorrow, each student should have a clear plan for maintaining their academic studies.
- Guidelines for maintaining Little Flock Nursery during this crisis are in place. We are examining the possibility of providing WCA Extended Care for all students as needed.
- Websterville's doors will be open. There will be a presence daily during the daylight hours. WCA personnel are available for counseling if necessary.

**WEBSTERVILLE BAPTIST CHURCH:**

- Deacons will be proactively following up with the Websterville Church family to ensure needs are met.
- Food shelf is notified for the potential of increased traffic.
- Counseling services are available.
- Spiritually, Websterville's doors will be open. There will be a presence daily during the daylight hours. Service times will continue as scheduled until we are notified of something different.

*Distinctly Different by Design*
