

Websterville Christian Academy

Distinctively Different by God's Design

P.O. Box 1, 143 Church Hill Rd. Websterville, Vt. 05678 · (802)-479-0141

Dear Parent/Guardian,

Your interest in Websterville Christian Academy reflects that you are a caring parent who desires the best for their student. That is important to us! We do not take it lightly. Hence, we have put together the following steps to assist you in getting your student enrolled.

All parents/guardians are required to attend a WCA Orientation. For your convenience, we have scheduled WCA Orientation Days for the following days (Mon. 7/27, Tues. 7/28, Wed. 7/29, Thurs. 7/30 and Fri. 7/31). This will facilitate opportunities to ask questions, get answers, visit the campus, meet faculty and staff and finalize registration. Attached you will find a google spreadsheet with times that are available. Slots will fill up fast, so please take a moment to sign up today!

Before attending any Orientation, please have your registration packet in hand and filled out. Classes start September 2nd.

From the WCA Administration side of things, we are looking for:

- Finalizing registration
- Most recent immunization records to be turned in
- Placement testing for new students. Please call in advance to set this up.
- Signed "Release of Records" forms for new students
- All enrollment fees paid in full (i.e. registration, book fees or other)
- Any past due amounts addressed
- Setting up payment plans and enrolling in Smart Tuition. Please bring a voided check to set that up with us.
- Final approval for any F.A.S.T agreements (if applicable)
- Answering your questions and signing enrollment agreements.

Please sign up today to meet with our administration staff. As always, if you have any questions, please do not hesitate to contact our administration team by calling #802-479-0141 or emailing Mrs. Peloquin at brandi.peloquin@wcavt.org.

Thank you on behalf of the WCA family!

Brian Fecher, Administrator
Brandi Peloquin, Operations Administrator
Cesar Trigos, Business Administrator
Tim Lenahan, Communications and Technical Support
