October 27, 2020

Dear Parents,

It is with mixed emotions that we announce to you a coming change in the fifth grade classroom. Mrs. Morgan Nicastro will be moving out of state, and therefore will be resigning from WCA before Thanksgiving. We are sad about this announcement, yet feel incredibly grateful that she communicated with the administration early on so that a replacement could be found for a smooth transition.

We are excited to announce our newest member of the team, Bethany Beebe. Bethany comes to us from a place of experience with many credentials that will benefit the students in fifth grade. She has a Master's in History from Liberty University and is currently working towards her librarian certification at a local library. We feel she will be a wonderful fit for this position.

Mrs. Beebe will introduce herself to the students and begin her part time observation and participation in the fifth grade classroom in the next few days. We are working together as a team to make this the smoothest transition possible.

We thank you for your patience and understanding as we navigate the new territory COVID-19 has created. As always, if you have any questions, please do not hesitate to call the school and set up a time to meet with the administration to discuss this.

Many thanks,

WCA Administration
