September 30, 2020

Dear WCA family:

long weekend coming up!

What an amazing start of the school year we have had; from a new building to an incredible increase in student body. The Lord has met all our needs and continues to amaze us. In the middle of a health pandemic, we strive to be proactive and follow godly counsel to be “...*prepared in season and out of season...*” because of this, our staff have been super proactive disinfecting and cleaning through the school.

We have been blessed to not have had a single case of COVID-19 even at its peak. We are **continuing** to be proactive and to this end there will be no classes on **Friday October 9th**. **We will deep clean and disinfecting in preparation for the change in weather.**

Monday October 12th, there will be no school in observance of Christopher Columbus Day. This long weekend will give the kiddos a well-deserved time off and, if your kiddo is battling a cold or is fighting allergies, it will also give them a time to recoup and rest.

We look forward to having laughter and joy back with us on Tuesday October 13th.

As always, if you have any questions please let us know via email or a telephone call. We are together in this battle, trusting the Lord to see us through.

Sincerely,

WCA Administration.

PS. Do not sign your kiddo up for lunch that Friday.
