Dear WCA / LFNP Family:

We trust that your Thanksgiving break was restful and full of good cheer! Websterville Christian Academy is prepping for the next several weeks of in person classes. Classes resume' Monday, December 1, 2020.

This is my commitment to you during this COVID pandemic:

- To seek a safe in person school experience for all.
- To seek a safe in person school experience for the remainder of the 2020-2021 academic year.
- To seek a physically safe, mentally stimulating and emotional state of peace every day and where possible.
- To pray for you all
- To maintain a personal walk with the LORD daily.

Christmas break starts December 21st. Let's do what we can to maintain a safe and healthy lifestyle. This will help us to stay in person. If we can assist with any need please let us know.
