Websterville Christian Academy has been a part of the Central Vermont community for over 40 years. It is our desire to train the hearts and minds of the future to bring glory to God and usher in His Kingdom. In this time, we've graduated hundreds of students who have gone on to become engineers, nurses, teachers and more. However, we could not have supported those students on their educational journeys without the support of our surrounding churches and businesses.

Because of unprecedented growth, our newest expansion includes the purchase of a much larger building to host the growing number of students. Currently, we are in negotiations to purchase the building we are occupying on Vine Street. Because this is a large purchase, we will be hosting an exciting fundraising banquet and event on Saturday, April 2nd at 6:00 at the Barre Elks Club. This will include a delicious full meal, entertainment, prizes and silent auction for all who attend.

Will you consider becoming a featured donor of Websterville Christian Academy for our Legacy of Love Banquet? As a show of gratitude, we will display your logo on our many tables, include you in our school newspaper, mention you online on Facebook and our website, and enter you into a raffle for a free scholarship to WCA!

A sponsorship of just 200.00 (the price of one table) can make a huge difference in our ability to raise additional funds for our new school building. We are here to change lives and we ask that you consider being a part of this miracle on Vine Street!

We look forward to hearing back from you,

Sincerely, Pastor Brian Fecher
