

PARKING AGREEMENT & TRANSPORTATION PERMISSION FORM

Parking on school property is a privilege. Administration reserves the right to suspend or revoke the privilege of any student to drive or park on school grounds for any reason. This includes unsafe driving or violating any of the below expectations. By parking on school property, students demonstrate acceptance of the following conditions by signed consent. Students unwilling to accept these terms should seek parking elsewhere.

1. Students who park their vehicles on school property, are to park at their own risk. The school is not responsible for loss of contents or damage to vehicles.
2. In the event of an accident, the driver(s) are legally required to notify the other driver in person or writing with their name, contact number, and insurance information. Failure to do so may result in police charges of leaving the scene of an accident.
3. Students who drive on school property are to always drive in a safe manner, respecting the rights of pedestrians and other drivers. Remember, pedestrians always have the right-of-way.
4. When students arrive at school, they are expected to park and lock their vehicles. Once the driver and the occupant(s) have exited the vehicle, they are not to return to the vehicle until the end of the school day. Should they need to go to the vehicle throughout the school day for any reason, they are to get permission from a WCA staff member first.
5. Vehicles must not display the following:
 - Crude, sexually suggestive symbols, images, or messages
 - Alcohol or drug endorsing symbols, images, or messages
 - Harassing, derogatory, or offensive symbols, images, or messages

Students, by signing this agreement, you agree to the parking conditions outlined above. *The front office will need to obtain a photocopy of your drivers license to have on file. Copies of this completed form are available upon request.*
