FAST Financial Agreement

This agreement will take place during the 2023-2024 school year at Websterville Christian Academy between the following parties:

Parent(s) of (student's name): _____

Parent's name (printed): _____, _____

Websterville Christian Academy's Administrator: Chris Rossell

The total tuition for your child to attend Websterville Christian Academy comes to \$ _____ .00 - before any financial assistance.

Based on the information that you provided to us on your FAST application, the school board has met to discuss your need for financial assistance and is awarding you with \$ _____. Your expected out-of-pocket expense is \$ _____ for the 2023-2024 school year.

In addition to your award, we want you to recognize that WCA is underwriting a 48% automatic scholarship for each student who attends WCA. While we would love to provide a tuition-free school, the reality remains that our teachers and support staff need to be compensated for the services they provide. (Our staff members continue to work at a reduced rate to provide for this ministry.)

Those receiving scholarships for their students will be asked to provide services to assist in reducing the daily operational costs of WCA, thus allowing for a continued balancing of the budgets. The Scholarship Assistant Fund and Volunteer Work Hours will be agreed upon prior to entry into WCA, and will remain in effect for the school year, or until agreed upon by the School Board.

Some of the operational needs:

- Cleaning Classrooms
- Maintenance/Upkeep of the grounds
- Improving our Playground
- Assisting in the Kitchen/Cafeteria
- Light Clerical Duties
- Classroom Parents – staying in contact with your child's teacher and assisting with special events and activities

We appreciate the opportunity to educate your children and to assist with preparing them well for the future. It is our hope that you will sense the great value and emphasis that Websterville Baptist Church places in this ministry.

WCA reserves the right to withdraw or adjust any financial aid award or discounts due to failure to pay or early withdrawal of the student(s) at any time. No refund will be given.

Please note that there will be no scholarships awarded to daycare and preschool families until there is proof of requesting subsidy through the State of Vermont. Our Daycare and Preschool are licensed centers and Vermont has a generous policy and grants are available for your convenience. While your particular family may not qualify for the subsidy, it is expected you will apply for it PRIOR to requesting a scholarship.
