## **FAST Financial Worksheet to Determine Need**

1. Start by going online to WCAVT.ORG
2. At the top of the page there is a 'Contact' Tab, select 'Financial Aid'
3. Scroll down until you see the large FAST graphic, click it
4. This will lead you to the FAST application.
5. Fill out all the necessary fields to the best of your knowledge
6. Be sure to answer this question when filling out the application:

*We/I attest that we/I will submit all required forms to FAST in as timely a manner as possible and will be responsive to FAST's requests for additional information as needed. We/I understand that my application cannot be considered for an award if all required documents have not been submitted and verified by FAST.*

7. At the end, you will be required to pay \$48.00. This DOES NOT guarantee an award and WCA DOES NOT benefit from this fee. This is the fee that is charged from the company to verify your information.
8. Once we receive your application, it will be reviewed by the administrator and the school board, and based upon the information they will either approve or deny the application.
9. You will hear within a week after a meeting the outcome of your application.
10. Regardless of the outcome, whether approved or denied, and you choose to send your child to WCA, we will refund the \$48 fee to your tuition account upon receiving registration.
