

Websterville Christian Academy

Distinct Different by God's Design

Class Teacher/Instructor

General Statement of Duties:

Teaching positions at WCA serve under the authority of the Academic and Student Advisor in guiding students in the classroom pursuant to the academic vision of WCA. These positions will incorporate the students' social and academic needs into a curriculum that turns the goals of the students and their families.

Our vision: Distinctively Different by God's Design; teachers at WCA will ensure the academic outlook is to produce students who will glorify God and reach his/her God-given potential in order to make a positive impact in the world. WCA is committed to developing a supportive community, which promotes and recognizes the individual differences and needs of each student.

Specific Duties:

- With support of the Administration Team, control and manage the classroom environment using biblical principles.
- Using the course outline provided in the curriculum, teaching to the hearts of each student, the Teacher will ensure the student learns the concepts, principles, precepts, and skills required in the rubrics provided in the curriculum.
 - Must be able to manipulate learning materials into different learning styles
- Discern and Expedite information through the appropriate channels of communication
- Work within team construct to promote learning and social growth of the student with their stakeholders
- Take part in additional team responsibilities as established by the unit.
 - Ex: Recess, Lunch Duty, Dismissal, other activities as needed
- Attend and participate in all professional development days
- Attend and participate in all Staff and Team meetings
- Generate progress reports and report cards
- Monitor daily attendance and communicate with stakeholders any assignments needed during student absences
- Participate in appropriate fundraising events as per the Academic and Student Advisor with the authority of the Head of Schools.
