WCA Family,

We would like to welcome the newest member to the Websterville Christian Academy family!

Samantha Fortier has recently been hired as our sixth grade teacher. Samantha is currently pursuing a degree in education and has several years of experience in the classroom as a paraeducator, substitute teacher, and lead teacher. She is currently serving with Enough Ministries and has spent eight years serving in Sunday School programs in her local church. Samantha has largely been involved in ministering to children in difficult and traumatic situations, offering them a well-rounded education leading to academic achievement. We feel confident that Samantha will be a new and wonderful blessing to WCA and look forward to working with her as we serve our families.

In Christ,

WCA Administration
